3. 加入家庭 .....	P.4
4. 移轉家庭所有權 .....	P.5
二、一鍵執行 (多窗同時開/關) .....	P.6
三、定時 (自動化).....	P.7

## 一、家庭管理：

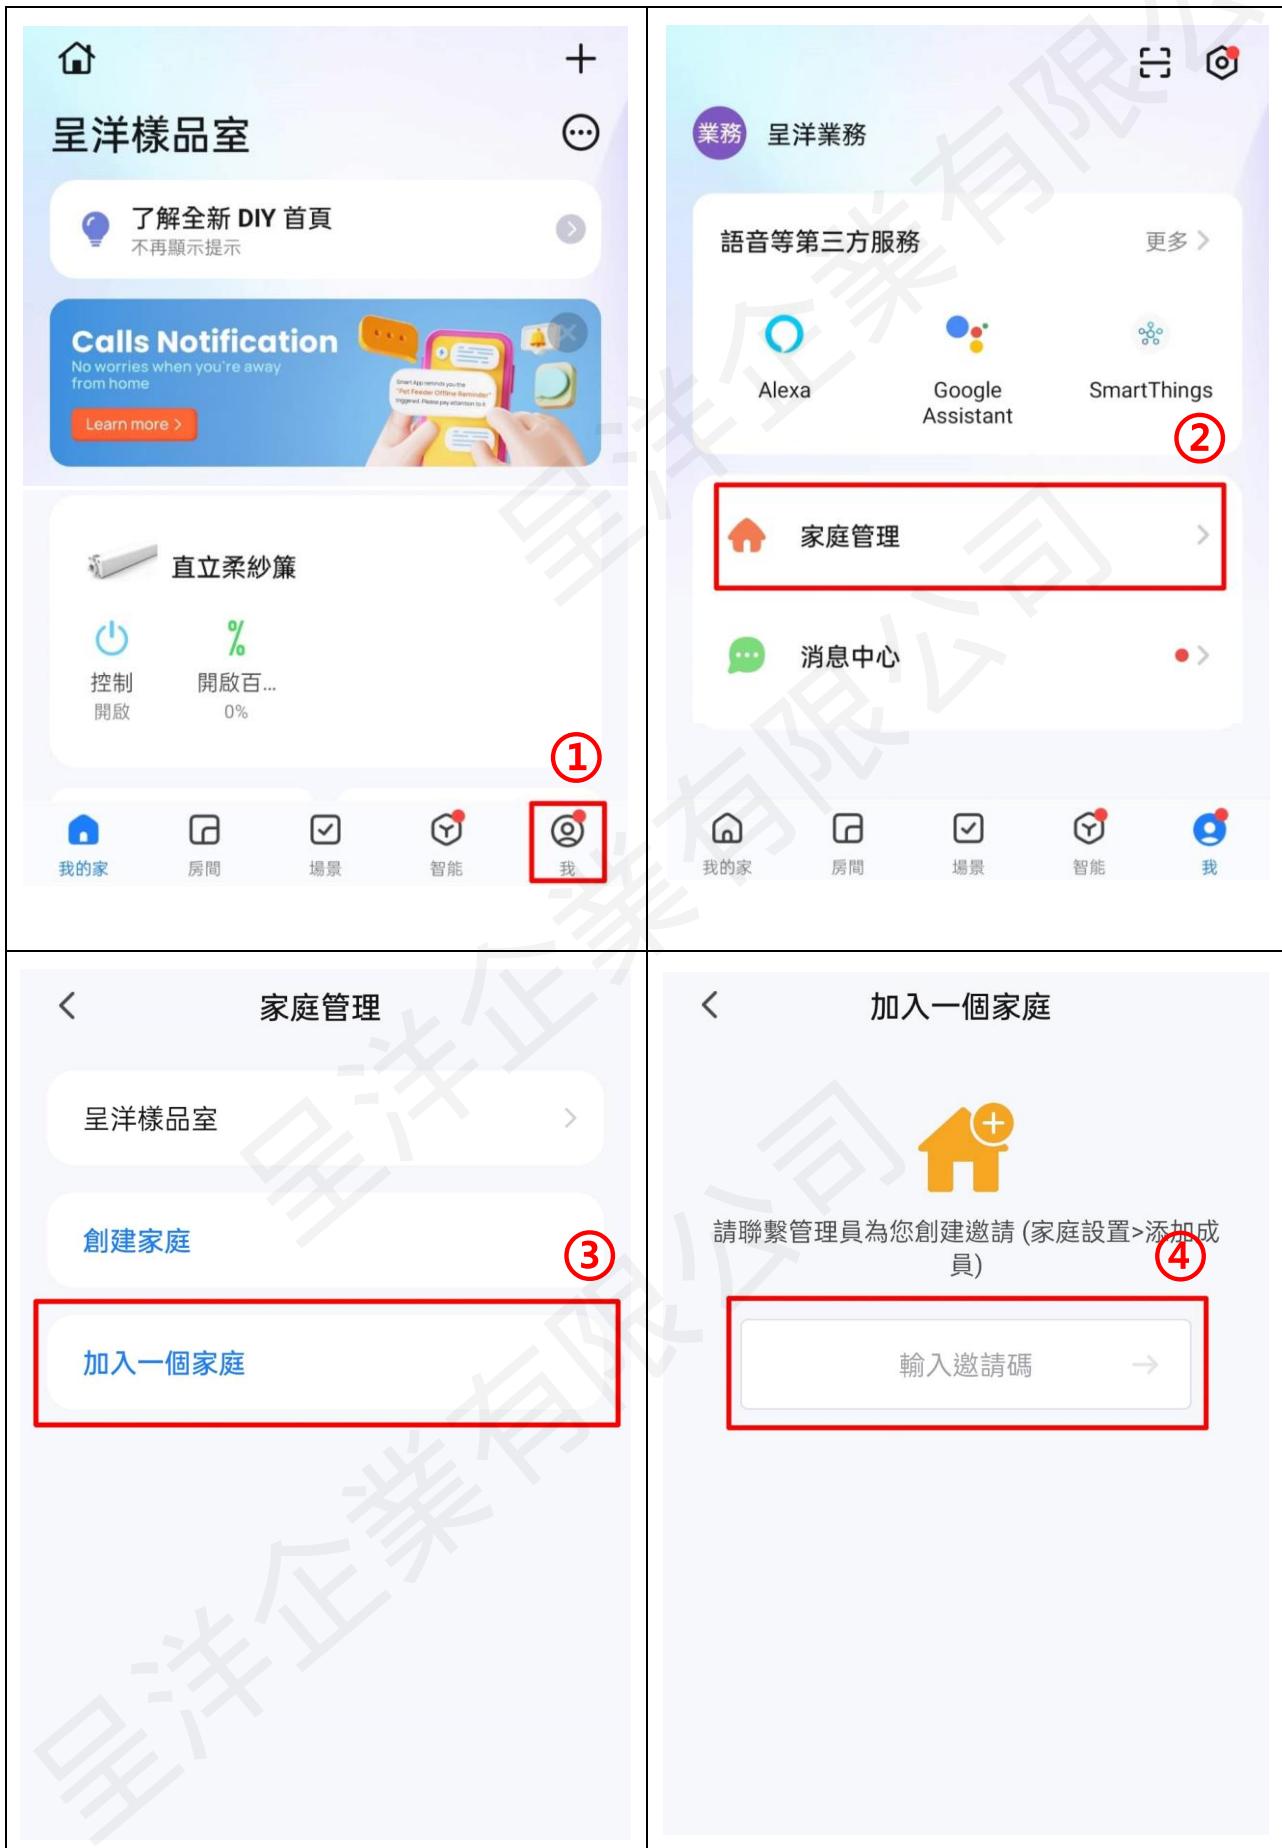

### 1. 創建家庭

## 2. 邀請成員

### 3. 加入家庭

#### 4. 移轉家庭所有權

The image consists of four screenshots of a mobile application interface, likely for a smart home system. The screenshots are arranged in a 2x2 grid.

**Screenshot 1:** The main home screen of the app. It features a banner for 'Calls Notification' and a control panel for a '直立柔紗簾' (Vertical Soft Curtain) which is currently off. Below the control panel are five navigation icons: 我家 (My Home), 房間 (Rooms), 場景 (Scenes), 智能 (Intelligence), and 我 (Me). The '我' icon is highlighted with a red circle and a red box.

**Screenshot 2:** A secondary menu screen titled '業務 呈洋業務'. It lists integration partners: Alexa, Google Assistant, and SmartThings. A red circle with the number '2' indicates the step to enter and select the family to transfer ownership from.

**Screenshot 3:** The '家庭設置' (Family Setup) screen. It shows the family name '呈洋樣品室', room management (6 rooms), city location 'Xiushui Township', and a '權限管理' (Permission Management) section. The '權限管理' section is highlighted with a red box and a red circle with the number '3'.

**Screenshot 4:** The '權限管理' (Permission Management) screen. It lists '管理員' (Administrator) and '普通成員' (普通 Member). A red box highlights the '轉移家庭所有權' (Transfer Family Ownership) option, which is also highlighted with a red circle and a red box and has a red circle with the number '4'.

## 二、一鍵執行(多窗同時開/關)：

### 三、定時(自動化)：

The image consists of four panels illustrating the process of creating a scheduled scene:

- Panel 1 (Top Left):** Shows the main home screen with various controls and weather information. A red box highlights the "智能" (Smart) button under a window control card, labeled with a red circle containing "①".
- Panel 2 (Top Right):** Shows the "Create Scene" menu. A red box highlights the "Create Scene" button, labeled with a red circle containing "②".
- Panel 3 (Bottom Left):** Shows the "Create Scene" setup screen. A red box highlights the "定时" (Scheduled) option under "If Conditions", labeled with a red circle containing "③".
- Panel 4 (Bottom Right):** Shows the "Create Scene" configuration screen. It includes a "定时" (Scheduled) section set for 15:37, a "Execute" section, and a large blue "保存" (Save) button at the bottom. A red box highlights the "定时" (Scheduled) section, labeled with a red circle containing "④ 設定時間". Another red box highlights the "添加設備及任務" (Add Device and Task) button in the execute section, labeled with a red circle containing "⑤ 添加設備及任務".
